BACKGROUND STORY

He grew up in a Triton city
and lived there until his
early teens, when he
accompanied a team to dry
land for the first time. There
he saw a firestorm and
while the other Tritons
avoided it, he felt
irresistibly drawn to it and
has loved fire since.
However, he once
accidentally burned a
valuable book while playing
with the fire and is
constantly looking for ways
to feed his pyromaniac self
while not burning any books
and avoiding the natural
uncomfortable feeling that
most Tritons have around
fire.
