In the din of a remarkable festival -  
music, food, dancing - a gnome strides  
forward, examining a poster in her hands

Slender with high cheekbones. Long, beautiful gossamer hair. Glittering black eyes that harken the night sky

What talents have ye, then?

Too many things to organize, else  
the magistrates get ornerly

Off to the drinktables!

Very composed with overly conscious good posture. Elegantly and regally uses hands while describing events

To create the greatest events that the people have ever seen. To balance the need for Order with desires of the commoner

As a bonus action, you cast Command, without expending a spell slot, and you take on an appearance of unearthly beauty for 1 minute or until your concentration ends (as if you were concentrating on a spell). During this time, you can cast Command as a bonus action on each of your turns, without expending a spell slot.
