Introduction

Mamoon will be found near graveyards
and crypts preparing to infiltrate them to
sacrifice the bodies to her God(dess);

Appearance

Deep, sunken silver eyes. Closely
cropped white hair beneath a silver circlet.
Lithe for a Duergar and almost sexy, if it
weren't for her nearly demonic presence.
Wears a necklace of petrified elf fingers.

Expressions

"The forgotten Ones will rise again,
by my hand"; "Shall you look into the
abyss of the mouth of the Forgotten?"

Mannerisms

Rubs the tips of her fingers together,
almost as though preparing magic.
Relatively inactive gesticulation explodes
into wild swinging of arms and broad facial
expressions, almost as though bi-polar or
partly possessed.

Motivations

To bring the pantheon of old Gods back
to power. She seeks bodies of the dead to
sacrifice to her pantheon.

Passions

Necromantic magicks. Any insect that
tunnels. Tunneling. Spelunking.
