## ROLEPLAYING

### Introduction

Cal tends to stay in safer spaces where guards are in sight. With mild agoraphobia he prefers being at gates or roadways that permit travel or a quick escape. He will approach seemingly courageous adventurers to ask if they would help him regain control of his lands.

### Appearance

Cal is a tall and gaunt firbolg with pale yellow-ish skin and wild bark colored hair; his bulbous nose radiates pink and reddish hues; he is covered in various scars; he wears clearly inauthentic royal garb that is dirty and torn

### Expressions

"Don't you know who I am??!"; "I ought to have you thrown into the dungeon of Carmite for that transgression!"; "The villainous scum of this region will feel my full wrath!"; "I must consult with the rest of my circle about these transpirations"

### Mannerisms

Gestures in what appears to be very official and regal ways; Questions adventurers and passers-by on their bloodlines; Consistently making political speeches and promises and demanding the loyalty of those around him to the 'Order of Indontus' (Does it exist???)

### Motivations

He seeks to trace his bloodline exclusively to a royal end, whether true or not. Cal will often spend hours barking and crying news of the activity of royalty or magistrates and spin it into something relating to his extended family and social circles; most of it true, but spun.

### Passions

Politics; Himself; Bloodlines

### Secrets

Cal is not royalty at all. Or is he?
