BACKGROUND
STORY

He grew up in a Triton city and lived
there until his early teens, when he
accompanied a team to dry land for
first time. There he saw a firestorm
while the other Tritons avoided it, h
felt irresistibly drawn to it and has
loved fire since. However, he once
accidentally burned a valuable book
while playing with the fire and is
constantly looking for ways to feed
pyromaniac self while not burning a
books and avoiding the natural
uncomfortable feeling that most
Tritons have around fire.
