 Appearance Sweltering, bald, tidal pools of flowing flesh. Thin, pale lips. Cold, steely, murderous eyes. Delicate hands. Expressions "Aaaaaaaah ha"; "My little doves"; "My chicadees"; "A pint of Swarth's and a pound of flesh, and you'll never grow old." Mannerisms Wheezes. Facial ticks ripple and radiate from his cheeks and around his eyes. Unblinking. Sharpens cleaver constantly. Motivations At night, pale green-lit kitchen barely illuminates him practicing sneaking up on a sack of rice, cleaver in hand. Passions Food, both peparing and consuming it, though he never eats his own food; always eats out at respectable establishments. Hug of doom Actions Cleaver Factions | Cell 13 | Background Story <p>Swarth was born large to large parents. His mother's breasts would have firehosed a more delicate babe and his father's flatulence alone could knock out a vast forest filled with yellow canaries. Both parents were chefs, and both died of diabetes when Swarth was in his teens.<p><p>By then he had acquired talents for cooking and preparing meats, to a level that his parents had never quite achieved. While desserts were his father's specialties, and potato dishes his mother's, Swarth prepared liver paste and deep fried pseudodragons like no other. He worked his way up slowly, from cook to sous-chef to chef, often replacing his predecessor by virtue of fearsomeness and a frighteningly skillful cleaver.</p><p>He owns the tavern where he is now barkeep and head chef, having spent half a lifetime (as several subordinates) there. Two particularly spotty boys help out with the cooking and food preparation during busy hours, and the waitress roles are filled from a revolving door of ladies of all ages, shapes and sizes.</p><p>Swarth's food comprises layers of various types of meat, exquisitely arranged, often with a liver paste "signature" on top.</p><p>During a recent bar mitzvah catered by Swarth's Flea -- whether deliberately or accidentally -- slapped Swarth in the face with a chain. Ever since, Swarth has been trying to find Flea. He does not know what punishment lies in store for Flea, only that face is important to be saved.</p> Personality |
