BACKSTORY

Amera is much older than she appears. Over 200 years old. Her appearance is that of a young adult. Urban sprayers have taken to their cliff-side homes. They took to the sea, allowing them to constantly move. Also regular crews as of late to prevent people from the truth about what will usually happen. A lookout and the ships, for occasional companionship if the moon need to, they escape from underwater. Their own crew as well as many of it's species
