BACKGROUND STORY

Lorne was raised in the SimmeredAshes [Large Mountain Range] Mountain range. His parents were devout worshippers of Hysdomman, the Father of Shields [Any powerful Central Dwarven God] and highly traditional. They were harsh on him, but fair, and always urged him to keep his hands busy in his own business, not others. As talented and renown smiths, his family were also able to offer Lorne a lush and more-than-comfortable lifestyle. He thus absorbed and internalized the priority of wealth and proprietorship.

Although among the upper class of his city, Lorne had watched his parents relentless

toiling upon the anvils and
forges. He learned that comfort
is the result of long days of
tireless labour. As his parents
aged he began to take the roles
of proprietor and designer of
Stronghammer Arms. To this
day, he swears by his name and
lives for his brand</p>
