BACKSTORY

Kablam's early life is shrouded in mystery. She was born into a family of thieves and assassins, a family that has been active in the underground world of the city for generations. While she was still a child, she was recruited by the local Thieves' Guild, a powerful organization that controls much of the city's underworld. Knowing of her family's reputation, she was trained to be a thief and an assassin, learning the skills of stealth, combat, and deception. She does not remember her early life, but she does know that she was trained to be a thief and an assassin.
