Appearance

Boy-next-door', boy-band look; Finely dressed; Messy-styled hair; piercing green eyes;

BACKGROUND STORY

<p>Kraven is not infected. He is what one would call a 'true' weretiger born of the breed in the jungles of Khuile [Any isolated village of Weretigers]. Set upon a collection of river mouths draining into the sea, he and his brood were also skilled sea-men. His clan claim to be descendents of the original weretigers and remain staunchly noble in their dealings with others with the hopes of changing public opinion towards lycanthropes.</p>

<p>Kraven set forth on such an information campaign but was met with rebukes and violence. His lycanthropic form was incredibly dangerous in defense of many violent altercations, many of which unfortunately resulted in murders.</p>

<p>Kraven thus turned his head to what was in his heart: sailing, artwork, shadows, magic, mystery, and music. Combining these passions, Kraven is one of the first and only tattoo artists in the region who can offer magical tattoos - at a costly price.</p>
