BACKGROUND
STORY

Horatio grew up in the
poor part of the city and
worked his way through law
school. Because of his
upbringing, he's a little on
the sleazy side and more
concerned with making
himself rich than he is
actually making sure justice
is done. He's good at his
job, but will happily sell his
clients down the river for
his own benefit. He does
have a little bit of internal
struggle about the things he
sometimes does for money
and this has caused him to
have a bit of a drinking
problem
