BACKGROUND STORY

Merrick comes from a long
line of tanners and leather
workers. The skills have
been passed down through
generations of his family
along with the leather
working magic his great
great grandfather
developed. He works hard
and loves his work. He
takes great pride in the
quality and beauty of his
work. He lovingly trains his
twin boys in the family
trade. Not only is he an
immaculate craftsman, he is
also a shrewd businessman.
He knows the quality of his
work and will not be swayed
on his prices. His prices
aren't unreasonable, but
they are definitely not on
the cheaper end
