BACKGROUND STORY

<p>When the village of Everskinnis
[Any Elven village] was raided by
Ogres and goblinoids, the inevitable
results of the plunder and pillage w
that the ravaged female escapees
would birth half-breeds. Relima Haa
young woman and former wife of a
hunter who fell in the raids, was am
these poor women. The gestation
period was more than draining and
birth fatal. Scarback was born.</p>
<p>Scavenging for food and other
sustenance and forced to reform th
beliefs and direction, the camp of
survivors raised Scarback in the
wilderness. He learned to value the
spirits of the wild beasts and flora. I
also learned the value of connecting
with the rage he felt over the abuse
imparted upon his mother and her r
scattered community of hunters.</p>
<p>A small portion of these surviv
refused to live in survival-mode and
instead departed together to seek a
better life. Scarback followed. The 5
departees were the smarter and mo
talented of the group. One of these
departees was a beautiful young elv
woman named Bodius towards who
Scarback took a serious liking.</p>
<p>Traveling village to village, the
would perform feats of strength and
agility for coins to wrangle up food
drink. In time, they came to be kno

as an entertaining side-show. On or
fateful night, the group encountered
particularly vicious pack of gnolls.
Scarback fought valiantly while mos
the group were slain. The gnolls
plundered what they could and fled
while Scarback was left tending to a
seriously wounded Bodius with tear
his eyes.</p><p>"Scarback love
pretty elf-lady", he lamented.</p>
<p>He tucked Bodius in the group's
steamer chest and gently fed her, g
her water, and tended to her wound
as he made his way to the nearest
township. Upon next opening the
steamer, Bodius was somewhat
recovered and attempted to get out
</p><p>"No. Elf lady not safe",
Scarback proclaimed as he knocked
her out with a back hand. He tied he
up securely, stuffed cloth in her mo
and closed the chest, determined to
keep Bodius safe from harm. Yet, th
same day, when he made his way
through town his mind encountered
serious psychological schism; he
couldn't accept what he'd done and
immediately began searching for
Bodius. At the same time he has an
inexorable bond with his steamer
trunk. Twice daily, in private, he wil
check on his belongings and only th
recognize that Bodius remains in th
chest. He will feed her and provide
water, only to Bind and gag her and
lock the steamer back up.</p>
