BACKGROUND STORY

<p>The art of storytelling is lost on some. Lovecarp however does not belong to that poor group. Renown throughout the realms for his talent weaving together fables of grand design, his name is forever tied to the begun in taverns that travel mouth to mouth across vast distances.</p>

<p>Some have heard that Lovecarp the lineage of royalty while others spun tales of their own about his humble beginnings. His regal garb dirtied from travels confuses people. This is perhaps his goal. Nobody but Lovecarp himself truly knows. Traveling town to town crafting new stories and refining old, he gleefully shares his narrations with every listener with very little resistance. A the first hint of his gripping voice, n of those in the vicinity grab a tanka and sit down for one of the best story they will hear for miles and miles.</p><p>Well aware that racial tensions only fuel wars but also economic splendour, Lovecarp's stories almost exclusively revolve around if not at very least include complex layers of peoples' fears of those who are not them - the 'Other'.</p>
