The party discovers a secret entrance to the local thief's guild, Hogarrk stands inside the door asking for a password

He is a massive hulking beast standing almost 8 feet tall and 350lbs. He is wearing what looks like reclaimed pieces leather armor. His skin is a hair-covered dark tan brown and his hair dark brown and unkempt. He has large pointed ears and a bestial face. He carries a large, heavy, spiked mace with a handle made of bone

BACKGROUND STORY

Driven out of his clan when he was challenged by a younger, stronger Bugbear for the role of pack alpha, went into exile rather than die fighting for leadership. He wandered for several years fending for himself before he was captured by slavers and sold into servitude as an enforcer/security. He found that he relished his new role and provided a steady meal, a frequent outlet for his aggression and as little thinking as possible
