## BACKSTORY

Klarion is a lavender-skinned Tiefling who grew up on the outskirts of the land. As a child, he was often bullied and fungi grew on his skin, making it difficult to secure work. He became a groundskeeper at the manor estate at the age of 18, where he was good at his job and got along with the gardener. He has sufficient energy to work, but gets very little sleep. He is not his boss and does not know what he wants. He does not know how to run a town properly and does not know how to treat people as little as he is.
