### ROLEPLAYING

**Introduction**

Mamoon will be found near graveyards and crypts preparing to infiltrate them to sacrifice the bodies to her God(dess);

**Appearance**

Deep, sunken silver eyes. Closely cropped white hair beneath a silver circlet. Lithe for a Duergar and almost sexy, if it weren't for her nearly demonic presence. Wears a necklace of petrified elf fingers.

**Expressions**

"The forgotten Ones will rise again, by my hand"; "Shall you look into the abyss of the mouth of the Forgotten?"

**Mannerisms**

Rubs the tips of her fingers together, almost as though preparing magic. Relatively inactive gesticulation explodes into wild swinging of arms and broad facial expressions, almost as though bi-polar or partly possessed.

**Motivations**

To bring the pantheon of old Gods back to power. She seeks bodies of the dead to sacrifice to her pantheon.

**Passions**

Necromantic magicks. Any insect that tunnels. Tunneling. Spelunking.

**Secrets**
