Introduction

A vintage creature, wrapped in thin bands of hemlock, gates your path. She smells of lemon, eyes twinkling. She smiles.

Appearance

Wood strips armour her body; her face is creased and folded like a discarded blanket; cropped silver hair.

Expressions

"It is what it is";
"Love", "Dear",
"Honey", "Sweetie";
"Be grateful to the
rock, the dew, and the
sun."

Mannerisms

Sucks breath when cogitating; whistles to songbirds; clacks to ravens; chitters to otters; overfeeds pets with treats.

Motivations

To aid people in traversing the wild while educating them on her peoples, the surroundings, and the inherent dichotomy of nature as calm/ferocious, growth/decay, etc.

Nokumi's world spins around her pets and her grandson. She accepts food, tools and clothes in return for her guidance.
