# Background Story

---

Hobb is down to earth and hard working. He's good to the horses and oxen and takes good care of the livery that he inherited from his father (Hobb Newton Sr.) and grew up working in.

He knows just about everything there is to know about horses and oxen and can even perform minor medical procedures on them. He works the livery with his wife and two young boys. His wife handles most of the bookkeeping and the boys are learning their father's trade
