# Story

Klarion is a simple man who grew up on his own, living off of the land. As his gifts with plants and fungi grew, he was able to secure work as the gardener and groundskeeper for the large estate at the edge of town. He's good at his job and loves to work with the gardens. He's done a sufficient enough job that he gets very little interference from his boss and mostly does what he wants. He rarely goes into town proper and deals with other people as little as possible
