## BACKGROUND STORY

Reina was cursed as a  
young child, possibly for  
something her outlander  
parents did. She was given  
the Curse of the Forgotten  
which allows only  
characters with high  
perception (16) to even see  
her and only characters  
with exceptional perception  
(19+) to remember she  
exists if they aren’t directly  
looking at her. This has left  
Reina to raise and fend for  
herself from a young age.  
She longs for friends and  
connection while doing  
what she needs to to  
survive. She longs to return  
to the barbarian clan that  
forgot her as a child but  
lives on city streets as a  
pick pocket and thief. What  
Reina doesn’t know about  
herself is a very dangerous  
secret for everyone.... Reina  
is The Wraith! Her curse is  
actually a spell put on her a  
spymaster of the assassins  
guild at the same time that  
he murdered her tribe and  
created her split  
personality. When her skills  
are needed a simple  
subliminal phrase brings out  
the Wraith, the realms  
deadliest assassin, and  
Reina never remembers a  
thing.
