Story

Rivan's parents were cursed by a hag while his mother was pregnant with him and he was born a Hexblood, part human, part Fey. Because of his curse, he grew up as an outcast with his family traveling from town to town. When he turned 16 he was approached by the hag that cursed his parents who invited him to join her to be converted to a full Fey Hag. He refused and escaped. At that point he left his family and began finding ways to fight against his curse. Trying holy marks and sorcery, he finally stumbled across a cult of blood hunters who taught him their ways. He has been hunting Hags ever since, knowing that one day, if he doesn't destroy them all (which just isn't possible), he will become what he hates.
