BACKGROUND STORY

Horatio grew up in the poor
part of the city and worked
his way through law school.
Because of his upbringing,
he's a little on the sleazy
side and more concerned
with making himself rich
than he is actually making
sure justice is done. He's
good at his job, but will
happily sell his clients down
the river for his own benefit.
He does have a little bit of
internal struggle about the
things he sometimes does
for money and this has
caused him to have a bit of
a drinking problem
