Special Abilities

- Corrora's worship of Lenterra and in depth study of Arcana helped him learn some Wizard Cantrips: Blade Ward, Control Flames, Firebolt, and 1st level Wizard spells including magic missile | 8th level spellcaster | When Corrora is reduced to half of his hitpoints in a battle, there is a 1 in 10 chance that his body will be taken over by the spirit of one of his ancestors, temporarily increasing his strength, dexterity, and constitution to 18, adding 40 temporary hit points, entering a rage state, and removing his spellcasting capabilities. Corrora makes a Charisma saving throw at the end of each round. A success allows him to regain control of his body

Special Equipment

- Corrora rescued a sentient Sun Blade named Dawnbringer from a crypt of demonic worshippers and claimed a Warhammer of Warning as treasure after successfully capturing a soldier who had gone rogue and kidnapped the son of a wealthy merchant and bringing him to justice

Combat Tactics

Corrora prefers to use his arsenal of ranged attack spells whenever possible. As a warcaster, he is able to carry his shield and either a war hammer or longsword to defend himself from enemies who get too close | Corrora will be the first to rush to the aid of fallen allies. He'll drag them to safety and use his healing spells to save them
