BACKGROUND  
STORY

He grew up in a Triton city and lived  
there until his early teens, when he  
accompanied a team to dry land for  
first time. There he saw a firestorm  
while the other Tritons avoided it, h  
felt irresistibly drawn to it and has  
loved fire since. However, he once  
accidentally burned a valuable book  
while playing with the fire and is  
constantly looking for ways to feed  
pyromaniac self while not burning a  
books and avoiding the natural  
uncomfortable feeling that most  
Tritons have around fire.
