Klarion is a boy who grew up on the streets of the land. As a street boy, he and fungi grew up without a secure work or a place to live. He is a groundskeeper at the estate at the top of the hill. He is good at his job, but he has a problem with the garden. He doesn't have sufficient energy to do the work. He gets very little sleep. He is tired of his boss and his life. He wants to leave town proper and live with the poor people as little boys do.
