Roleplaying

Introduction

With her fervent work ethic, Eleanorious will set up a stand in the market or even outside of an inn or tavern. She lugs a small cart with her alchemy set and sales stand everywhere she goes. A party can run into her just about anywhere trying to sell her tinctures, lotions, potions, and ointments.

Appearance

A small feminine copper dragonborn with unusual horns and scales that glitter; dresses very flamboyantly, with tapestry-like cloaks and capes that flow over her limbs and tumble to the floor

Expressions

Mix and match, there's a good batch!

Tinctures and solvents beat diplomacy every time

Mannerisms

Flamboyant and dramatic gestures; Smiles and laughs often; Likes to spit small globules of her acid breath into the air and catch it in her mouth with a smile, a "ta-da", and a dramatic gesture;

Motivations

To promote the power and instrumentality of alchemy as a solution to everything from poverty and hunger to disease and even death itself

Passions

Alchemy; Draconic origins; Languages of all kinds;

Background Story

Eleanorious hails from a regal clan of golden Dragonborn who have integrated themselves well into the ruling population of the region. The Murr family, especially, have developed meaningful emotional and economic relationships within Xhontapys [Major Trade City] and positioned themselves well as purveyors of finer goods within its trade nexus. With a knack for measuring volumes by eye and comprehending chemical reactions prior to mixing ingredients, Eleanorious trained with various local phylacteries and alchemists to learn this remarkable trade. She has become well-known for her expertise as well as her pleasant personality, fine work-ethic, and her good fashion sense.
