BACKGROUND STORY

The TwoHills clan has been the local
Firbog tribe's caretakers of the dea
for centuries and Dorcan is no
different. He genuinely cares for the
dead and their families. He loves th
quiet and peacefulness of his inheri
profession. He is a devout follower o
the nature god Lallanis and draws h
powers from her. His garden and
chapel is lush and well kept, with al
manner of flora and fungi. He is alw
welcoming, although he always kee
a close eye on non-Firbolgs when
they're around. The garland of flow
that he wears around his neck at all
times is the holy symbol that he use
as his spellcasting focus.
