**ROLEPLAYING**  
**Introduction**  
The town noticeboard highlights an opportunity in bold letters, "LEARN". "For you," a hand slaps it, "I'll offer a deal"  
**Appearance**  
A rather short, tomboy-ish figure. Scruffy blonde hair. Droopy empathetic eyes. Well-dressed and never without a satchel  
**Expressions**  
*"Education is over-rated. Skills, on the other hand", "Don't know to learn...learn to know to do", "Pragmatics, friends"*  
**Mannerisms**  
Scratches his chin before speaking. Fingertip to nose and points. Taps fingers of opposing hands together, planning.  
**Motivations**  
To undermine scholastic systems and make learning a pragmatic, gig-based trade. To live a simple life without urgency.  
**Passions**  
Books. Trades. Teaching others.
