BACKGROUND STORY

A young and
adventurous Minotaur
engaged in a brutal and
near life-ending battle with
the clerics of Hamuun
[Any deity, really] in
defense of his prized
possession - a holy relic
the Minotaur had
uncovered from cave
fissures. The clerics had
traveled a great distance
in search of the relic and
most certainly were not
going to forego finding it
in the caves as they had
performed extensive
research to locate it. They
did not expect a guardian
minotaur.

The missionaries did
not wish to slay the beast
as they discovered it had
been charmed to guard
the relic. In the battle, the
Minotaur was clubbed
hard to the skull in an
attempt to subdue them.
The Minotaur lost
consciousness and the
clerics uncovered the relic
and returned it, along with
the Minotaur, to their
temple district.

The Minotaur came to
consciousness in the
presence of one of the
healing priestesses of the
Order - a beautiful
gnomish woman.

"You will heal in time,"
she said gently. The
Minotaur was
overwhelmed with her
beauty and overwhelmed
with her gentle touch. The
charm spell coupled with
serious head trauma
loosened the Minotaur
from his memories and
sense of identity. They
internalized their
caretaker and formed a
new version of themselves
in their head - that of a
helpful gnome.

Once fully recovered,
and properly guided to an
identifiable name, Roly, by
their caretaker, they made
their way about town
looking to help others. The
local innkeeper
sympathized with Roly and
offered them the position
of Porter for the Inn. Roly's
incredible service gained
notoriety and local
merchants and guilds
began to enlist their
services.
