## ROLEPLAYING

**Introduction**  
Chloe is that 'bored-looking-guard'. She will specifically make contact with adventurers who are passing through that look like they are willing and capable to stir the pot and cause a bit of 'no no' amongst the population.  
**Appearance**  
Rather plain jane appearance - couldn't be picked out of a crowd; Wearing the armor of the local militia acting as watchmen for the city/town; In off hours, Chloe wears bland dresses and tops but pays close attention to her hair and shoes as though compensating for her rather average appearance

**Expressions**  
Can't make wine outta olives - some call me an olive, but I know I'm a cherry!  
Keeping the peace seems foolhardy when its the Kings and Queens that cause the conflicts in the first place  
I say 'Stick it to em', gold-hungry scoundrels, they are

**Mannerisms**  
Timid at first glance but courageous in spirit, Chloe will often avoid engaging with others; Order/task oriented - goes from standing still to pointing and gesturing to the next task at hand; Most often found reading through her list of ingredients for her wines and her methods of making them; Sometimes throws a wrench in the gears of watchkeeping  
**Motivations**
