ROLEPLAYING

Introduction

The town noticeboard highlights an opportunity in bold letters, "LEARN". "For you," a hand slaps it, "I'll offer a deal"

Appearance

A rather short, tomboy-ish figure. Scruffy blonde hair. Droopy empathetic eyes. Well-dressed and never without a satchel

Expressions

"Education is over-rated. Skills, on the other hand", "Don't know to learn...learn to know to do", "Pragmatics, friends"

Mannerisms

Scratches his chin before speaking. Fingertip to nose and points. Taps fingers of opposing hands together, planning.

Motivations

To undermine scholastic systems and make learning a pragmatic, gig-based trade. To live a simple life without urgency.

Passions

Books. Trades. Teaching others.
