BACK STORY

Vrakoom is a massive priest of the Selesnya Conclave, a tradition of slow, steady growth. He started his training at a young age. Growing up, he was a Trostani, he was a Selesnya, and has strong beliefs in the teachings of the Selesnya Conclave. His teachings are based on his power. Lately, he has been on the front line of the war, and his fair share of the glory. At a young age (and he is still young), he is mostly again, and also during the war. As a result, he has a lot of experience with a maul, shield, and trunk, and with a healing spell.
