Special Equipment
Ancestor's Radiant Ko-Naginata - You can use a bonus action to speak this magic weapon's command word causing a searing light to erupt from the blade. The light glows a deep warm yellow in the center of the blade sharpening to a brilliant white at the edge of the blade's cutting surface and sheds bright light in a 40-foot radius and dim light for an additional 40 feet. While the weapon is incandescent it deals an extra 2d6 radiant damage to any target it hits. The radiance lasts until you use a bonus action to speak the command word again or until you drop or sheathe the weapon.
