## ROLEPLAYING

### Introduction

Mamoon will be found near graveyards  
and crypts preparing to infiltrate them to  
sacrifice the bodies to her God(dess);

### Appearance

Deep, sunken silver eyes. Closely  
cropped white hair beneath a silver circlet.  
Lithe for a Duergar and almost sexy, if it  
weren't for her nearly demonic presence.  
Wears a necklace of petrified elf fingers.

### Expressions

"The forgotten Ones will rise again,  
by my hand"; "Shall you look into the  
abyss of the mouth of the Forgotten?"

### Mannerisms

Rubs the tips of her fingers together,  
almost as though preparing magic.  
Relatively inactive gesticulation explodes  
into wild swinging of arms and broad facial  
expressions, almost as though bi-polar or  
partly possessed.

### Motivations

To bring the pantheon of old Gods back  
to power. She seeks bodies of the dead to  
sacrifice to her pantheon.

### Passions

Necromantic magicks. Any insect that  
tunnels. Tunneling. Spelunking.
