BACKGROUND STORY

Raise as a druid by his people initiated into the Golgari Guild a young age for training, he has an extensive knowledge of the routes and pathways through Ravnica's UnderCity. The UnderCity is a dangerous place filled with rot, decay and other not so nice things. He was injured during ascension trial to become a full Golgari Spore Priest, accounting for his limp, and still holds a grudge against the elf who caused the injury. One day he'll get his payoff. In the meantime, He takes pride, probably too much pride, in getting the Golgari H Council's guests safely through the UnderCity unscathed.
