BACKSTORY

Vrakoom is a member of the tradition of the Selesnya. He started his training at a young age. Growing up, he was a Trostani, he was a strong and has strong teachings of the Selesnya. His teachings are about his power. Lately, he has been on the front line of the war. He has his fair share of experience at a young age (and he is mostly again). He was also during the war. As a result, he has a lot of experience with a magic staff and with a healing staff.
