Introduction

He blows into town hawking his wares out of a wagon. Always love to "set up shop" near the busiest intersection he can.

Appearance  
Dressed well for a commoner, but it's nothing a noble would be caught dead in.  
Expressions  
Loves to be agreeable, always concludes with "Indeed" Not too much, and never too long

**Mannerisms**

He's always quick to change the subject away from anything complicated. He knows stuff, not events or politics.

**Motivations**

To unload merchandise, make coin, and get out of town before anyone knows that the stuff he's selling is no good.

**Passions**

Lasan loves his horse and takes great care of him. He also enjoys travelling and watching the constellations.

**Secrets**

His merchandise is faulty. He's using his artificer powers to put on a show, but as soon as he's gone, none of it works

## Background

---

Lasan is the son of a merchant who did the same thing he does today. Make items that work for a short period of time, sell them for more than their worth, and get out of dodge before any one is the wiser. His dad died not too long ago, and he's still trying to cope with it. He took up adventuring for a time, but it complicated him with too many attachments, he just wasn't ready for.
