BACKGROUND  
STORY

<p>Raised in the  
mountains, Khamal was  
exiled from his tribe for  
going into a rage and killing  
another Goliath during a  
game of Stubborn-Root.  
Rather than fending for  
himself in the mountains,  
he made his way down into  
the mainland. After  
witnessing a gang of orcs  
attacking a caravan, his  
sense of fairness required  
him to intercede and even  
the odds. The nobles he  
saved were so grateful that  
they invited him into their  
house.</p><p>His massive  
size, skill and rage served  
him well in their service and  
eventually he was given the  
job of executioner due to  
his strength and skill with  
an axe. He wears the  
executioner's mask as a  
badge of honor even though  
it clearly doesn't offer him  
any anonymity. Lately he  
has begun to question the  
rule of those in charge. His  
culture dictates that those  
with the best skills for the  
job should be doing the job,  
and its starting to become  
obvious to him that is not  
the case here.</p>
