origins.

BACKGROUND STORY

Spartan in nature (but
without the honorable
intent) Orcish culture is
well-known for its
celebration of brute
strength and denunciation
of the more feminine side of
an individual's nature. From
birth, Beach, born 'Ukhtor',
was smaller than his cohort
and more inclined towards
cleanliness and grace. As a
baby he would cry and
whine if exposed to violence
or filth of any kind.</p>
<p>Bullied and beaten
often for what were
perceived as less 'Orcish'
features, even as an infant,
Ukhtor's mother feared for
her son growing up in such
a horrible environment.
What's more, she was
embarrassed to have
produced such a creature.
During one of the war-
party's treks between
camps, she abandoned
Ukhtor in a basket by a
well-traveled road just
outside of the party's
planned travel path. Local
constables were escorting
magistrates between
nearby towns and cam
across the basket. Peering
inside, the head of the
constabulary, Amin Carr,
exclaimed, "cursed Orcs!
They cannot even care for
their own!"
