Special Abilities There are some downsides to having amnesia. When Noel finds out about their past, if events go against their current alignment, Noel would make a wisdom saving throw (DC 10). If they fail, they take 1d4 psychic damage and that damage is removed from their max HP. | N/A | N/A | N/A | Noel starts as a Ranger. When the DM reveals more information about Noel's past through the story, Noel is able to reflect those changes on their character sheet: Meaning that if in Noel's past, the DM reveals they were a thief, Noel could obtain proficiency in thief's tools, or even multiclass as a rogue. This special ability can happen at anytime and is not related to experience, but is up to the DM.

Special Equipment Noel has a unique mask they found in a dump. It is a bit cracked in places. It resembles a comedy mask from a traveling theater.
