Common Elvish Halfling

Adjectives - Motivated,

Special Abilities

Special Equipment

Combat Tactics

If faced with combat, Teaghan envisions it as her opportunity to be recognized as a valuable addition to an adventuring party and dives in headlong; usually to her detriment.

Actions

ROLEPLAYING

Introduction

Runs one of the local provision houses, selling rations, foodstuffs, and most instrumental adventuring gear. Can also be found commiserating with local guard and militia making deals and offering bargains.

Appearance

Well-built and finely dressed with well-kept shoulder length silver hair; sharp features that are very expressive; sallow and saddened eyes.

Expressions

"Sure I make a good living. Puts food on the table. But I never bargained for this mundane life"; "I adventured the land, once! I was a great and well-known idol of the people!"; "Ever seen that Orc priestess from the Everstill Tribe. Melt my old bones. Gimme that rough and tumble love";

Mannerisms

Relatively outspoken about her talents as a grocer and provisioner; Paces and paces if left alone as she adds up expenses and income in a small journal, softly talking to herself; When frustrated, counts backwards from 30 with her eyes closed and refuses to be interrupted;
