Factions

Behind the bar of the busy pub, a tall handsome half-elf juggles several liquor bottles. "What can I get you friends?"

Long blonde hair tied back in several tight braids
His piercing blue eyes almost sparkle.

"It's all in the wrists", "I invented this drink myself", "You look like you need more than just a drink"

Incredibly deft with his hands. His movements are almost a blur behind the bar

He's motivated by money and the ladies

He's passionate about showing off and raking in the tips

He pays attention and knows various things going on around town
