BACKGROUND STORY

Like most of his kind Goronk
finds his identity by proving
his martial prowess. Those
who don't or won't fight are
weak in his eyes. He doesn't
trust magic users, he sees it
as a crutch and believes
that martial weapons are
the only way to go. He's
fairly easy to barter with for
his services as hes more
concerned with building his
reputation as a fighter than
he is with the money side of
things. He's completely
unconcerned with the moral
side of his profession and
will just as happily work
with raiders raiding a village
as he would fighting bad
guys, as long as he gets to
fight
