Alone at a table strewn with wine, bananas and
peels, a knurled face with melancholy blue eyes
stares through you.

A flagrant plume of white hair; ridged skin;
varicose veins; large nose; untamed white beard

"Perhaps my best years are gone. But I wouldn't want them back. Not with the fire in me now."
"What does viduity mean?"

Absent-mindedly eats banana, forgets it's in mouth. Stands up, slips on peel. Noisily incontinent. Bitter, sarcastic.

It's Krapp's birthday today. He's celebrating. By himself. He has recorded local history on his Ansible for years.

Loves eating bananas, though they give him severe gas. He stares intently into eyes, which he feels glow from the heart.
