Background Story

Tanarolf loves his job. He works hard under the premise that he's keeping order and loyally doing his duty to his city and nation. He is strong and a natural fighter but will run rather than fight if he thinks he's outmatched. As large as he is, he was the runt of his litter and was picked on by his siblings growing up, which has resulted in him having anger issues and "small-man" syndrome. His guard job gives him the position of power that hes always craved and lets him take out his

aggression in a socially acceptable way, on criminals
