# BACKGROUND STORY

<p>Llewellyn is a very old  
man, even by elf standards.  
He's spent much of his life  
travelling around the realms  
collecting books and  
studying lore. As he grew  
too old for the life of an  
adventurer, he settled in  
the city and opened a store  
to display and pass on his  
huge collection.</p><p>  
He is always interested in  
bringing in new lore and  
historical volumes, and can  
become distracted and talk  
at lengths about history,  
lore and arcana. To him,  
knowledge is it's own  
reward.</p><p>During his  
travels he has collected a  
number of magical tombs  
and scrolls which he keeps  
under lock and key at the  
shop. A player would have  
to heavily impress him to  
sell one of them though,  
and even then, they would  
be very expensive.</p>
