BACKGROUND  
Story

<p>Raised by an abusive human adopted father, Hylinn developed numerous psychological complexes. Her self-esteem and normally natural capabilities as an elf were largely lost during this train-wreck of an upbringing. Abandoning her in a marketplace when she was barely in her teen years certainly didn't help with any of these damages.</p><p>In order to survive, she took up the first available opportunity to support herself - a role as boatswain on a questionable ship of ne'er-do-wells. Over the course of a number of voyages, she realized these 'sailors' were second-rate pirates who would plunder minor textile and fabric shipments or something of equally laughable financial gain. The crew were, surprisingly, abusive - especially with her - and her disorders compounded. Fatter and drunker, Hylinn returned to land-based civilization as a quarter of half the person she might have been. But not without the Captain of the crew plucking out her right eye as a prize and also a punishment for abandoning the ship. </p> <p>Taking up various custodial and service jobs wherever she could in order to survive, or, rather, subsist, Hylinn focused most of her frustrations into her love for a good drink and fatty foods. Her numerous disorders, perhaps too many to count, helps haughty and self-centered patrons feel better about themselves and thus drives a decent amount of business to the barstools in the tavern at which she works - "the Dull Dragoon".</p>
