PERSONALITY

The remote frontier towns Errk, Cloh, and Mont Ire, are closely interconnected shanty-style communities within a short travel from one another amidst the mountainous pseudo-desert landscapes of the Eves of Tomorrow [any semi-Wasteland area]. They are close enough to have established a makeshift government and militia. A much needed pact to manage the roving bands of marauders and various monstrosities that populate the wastes.

Rahim grew up in this challenging environment and wed his sweetheart, Mallum. Together they have made a name for themselves as proprietors of one of the finest rest stops in the region where they offer some of the finest consumables around, serving fine grub and wines and with their deep cellar, one of the few purveyors of flavored ices hundreds of miles away.
