# Background Story

---

Raised in a wealthy household and inheriting a substantial amount of money when his parents passed away, Weston grew up used to living the high life. Unfortunately after the passing of his father Weston Horonious Jr., a brilliant business man in the importing and exporting industry, it only took Weston III, a whole 3 years to run his family business into the ground. Couple that with his large gambling addiction and terrible gambling skill, alcohol addiction and illicit substance addiction, and it adds up to Weston III being flat broke and bordering on homeless. He still does his utmost to keep up appearances and flits among high society parties and taverns sponging as much as he can grift despite owing a lot of people a lot of money.
